Mr. Herbert Schoenly

e, the graduating class of 1979, are very proud to dedicate our yearbook to Mr. Herbert J. Schoenly, our principal. Expanding the boundaries of his human kindness as administrator, he has chosen to be a friend and helper to us all in every possible way. Mr. Schoenly relates extremely well with the student body of Wilson by promoting school spirit and by being present in our everyday endeavors.

Mr. Schoenly, the many ways in which you have helped us will never be completely known. Therefore, please allow us to express feelings of gratitude through this dedication for all the hard work you have put forth for our benefit. We sincerely thank you.

Times of Your Life

Do you remember the
laughter and the tears,
The shadow's of misty
yester-years?

The good times and the
bad you've seen,
And all the others
in between, remember.

Do you remember the
times of your life?

Reach back for the joy
and the sorrow,
Put them away in
your mind;
For memories are times
that you borrow
To spend when you
get to tomorrow.

Here comes the
setting sun;
The seasons are
passing one by one.
So gather moments
while you may;
Collect the dreams you
dream today, remember.
Will you remember
the times of your life?

PEP RALLIES

Uncontrollable enthusiasm

This team was not 11-0

The most significant of the pep rallies was the Governor Mifflin football pep rally. The senior girls put on a skit to mimic senior football players. The purpose was to psyche the players for our biggest rivalry game. The skit was enjoyed by all, even the football players who saw their past experiences in a comic sketch.

1978 Homecoming Queen Charlene Auman

The Homecoming game for the 1978-79 school year was held on Oct. 21. In the game, Wilson beat Manheim. Sherry Noecker was elected Homecoming Queen after having been representative for the previous two years. Each class designed and built a float to represent their year of spirit. The sophomores won first place with their float.

SPIRIT WEEK

Spirit Week this year was held on the week of October 21. There were many activities to psyche the student body up for the homecoming and to show their support to the football players. The sophomores won first place, the seniors held second and the Juniors came in third.

A very special thanks from the cheerleaders to all of the athletes who made our job as cheerleaders so enjoyable. We will always be proud of Wilson and will never forget the good memories and wonderful friends.

JR MISS

Isn't she beautiful?

Not just another pretty face!

Beauty, personality, and talent are only three reasons why Wilson's representative for Jr. Miss was Kim Reighly. Even without her flute, Kim stands out as a lovely, intelligent girl whom all admire. Having Kim Reighly representing Wilson is another of the many things we Bulldogs can be proud of.

Sue Karpoti, last year's Jr. Miss, crowns the 1979 Jr. Miss as Kim Reighly, the first runner up looks on.

This year's chorus was small but full of enthusiasm and sound. Under the direction of Paul Lechner and president David Watts, the group performed for various organizations in the immediate area. Special productions for the student body and community included the Christmas assembly, Handel's Messiah, the Spring Concert, and a contribution to the Baccalaureate service.

Hello World!

"The Piano Man"

This year the Wilson Band traveled to Virginia Beach to capture a well-deserved first place over-all in the competition. The Band has also taken two first places in Cavalcade Con-tests. Their performances in both the Hempfield and Lancaster football games were rewarded with standing ovations. The Band was present at all the football games in order to provide our football team with it's support. Throughout the year the Band has presented both the annual Spring Concert and Christmas Con-cert. These were enhanced by stu-dent correography.

IBA

The Champs this IBA season were the team members of ATP. Second place went to the Elbow Benders. This year there was an all-girls IBA team. They e were coached on how to use the killer instinct. Mr. Kopp and Mr. Kunkel were refs for most of the games.

The '79ers and their coach Walt Fessler. They may look helpless now but they were nicknamed "Animals" by their opponents for their mean play on court.

Volleyball at Wilson is an intermural sport for girls and boys. We participated in a few tournaments this year. The boys played in the York Jaycee Tournament and the girls and boys played in the District III tournament held at York. Both teams also played in the Schuylkill Valley tournament held at Schuylkill Valley High School.

VARIETY SHOW

Variety '79 was even better than a real "Night at the Movies," and less expensive, too. Wilson students were the stars of this flick. Our own film "The Queep" should have been nominated for an Oscar, and Mike Douglas is anxious to have our own "Grease dance" on his show before Dinah. The boxoffice hit of '79 is, of course, Rocky Horror, which could blow anyone's mind, with or without add-lib and sound effects. Mr. Goss directed a truly sensational performance. WATERSHOW

This year's watershow was "The Wiz of Oz," a combination of music from "The Wiz" and "The Wizard of Oz." Corleen Steubner and Sherry Noecker played Dorothy. Her search led her into haunted forests, to the Wicked Witch's castle, and down the yellow brick road with her friends: the Scarecrow, the Tin Man, and the Cowardly Lion to find the Wiz.

L-L CHAMPS

The 1978 Wilson Football Team is the first Wilson team and the first team from Berks County to win the Section I Championship of the Lancaster Lebanon League. It is also the first Wilson team to go undefeated with a record of 11-0.

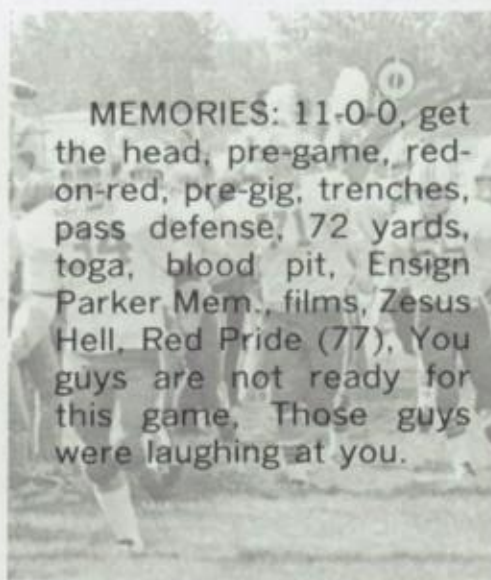

The Bulldogs demonstrated a potent scoring offense by scoring 354 points and set a school record for consecutive wins with 13. The defense was equally strong as it broke the record for least points scored by opponents in a season with 46. The success of the team is attributable to a dedicated coaching staff and a group of young men who worked hard, sacrificed and displayed the courage and pride to be Number 1.

Wilson's offensive line is ready to score a touchdown.

Don't you understand the joke, Joe?

Simon says . . .

The 1978 Junior Varsity Football team finished the season with a record of 10 wins, 0 losses and 1 tie. The name of the game this year was defense when the Bulldogs shut out seven teams. The Jr's showed that they were ready to continue the winning tradition at Wilson by having an undefeated season. They had several close games, but showed their Bulldog pride by winning these games in the closing seconds. Pride, determination, and the love of victory was what made the Junior Varsity Team outstanding.

The 1978-79 Soccer team, with Coach Barry Stump's guidance finished with it's best season ever. Adding the scoring punch was Division One All-Star forward, Jose Gomez and junior Mike Shaw. The team finished with a respectable third place aided by the fourth ranked team defense in the county, which allotted a measly 31 goals. Guiding the defense was Division One All-Star goalie, Tom Frebel and Division One All-Star and All-County fullback, Karl Heimbach. The Bulldogs played a much improved brand of soccer.

This year, the Wilson J.V. soccer team, with an overall record of 77 wins, 6 losses, and 4 ties, had one of their finer seasons. Aggressive play, good teamwork, and a good team attitude, not to mention fine coaching and team dedication, were the main factors for the team's success. Though the team finished with a conference record of 5 wins, 6 wins, and 4 ties, the team shows much promise for the future.

GOLF

The golf team were Berks County champions for the third consecutive time. Led by senior Scott Gerhart, the Bulldogs were undefeated in thirteen matches, including the championship match among Muhlenberg and Daniel Boone. In Scott's four years of competition, his score counted in every single match. Ken Paling, another senior, qualified for the State Tournament at Hershey (9th in the District Tournament) and finished 14th.

Two other seniors were on the starting team. Jeff Mikes, a four time letter winner (along with Gerhart) and David Foxhall averaged consistently in the 70's in the matches. Juniors Craig Gerhart, Dave Schaebler, Steve Weitzel, Tom Lane, Bob Hawk and Brad Kirschman contributed toward team victories.

The remaining members of the team were Dave Thomas, Brian Gaenzle and Dan Stump.

The Wilson High School girls' water polo team completed its second season this year although this was the first year that they were recognized as a varsity sport. The girls record was 0-5, this was no true indication of their tough and skillful play. The team was coached by Fritz Wenrich and led by captain Eileen Speese. Memories of the team were: good, fun year; road trips with Santana; before and after game activities; Spaar's fist, and almost beating Lower Moreland at home.

The Boy's J.V. Water Polo had 9 wins and 4 losses. They attribute their wins to fast swimming, accurate shooting, and determination. The offensive players were: Campbell, Schweikle, and Potsklan. The defensive players were: Chambers, Simmons, and Wagner. Goalie was Lanouette.

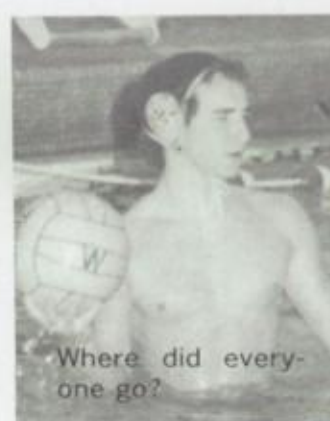

Memories were: Coach Fritz(which way to the beach)Wenrich, ejections, fights, short people at Lower Moreland, road trips with Neil Young, hot tempers, belly dancers, and running down the highway during Cumberland road trip.

BOYS CROSS COUNTRY

Bottom, left to right: D. Reifsnyder, J. Stout, J. Richie, D. Cirulli. Top, left to right: T. Moyer, J. Hawk, R. Wells, L. Adalbert, T. O'Rourke.

Left to right: D. Reifsnyder, G. Mahon, M. Rudolph, B. Fischer, J. Stout, J. Zaring, T. O'Rourke, J. Richie, D. Cirulli, G. Althouse, R. Wells, K. Giza, J. Hawk, T. Moyer, L. Adalbert, Coach Grant Mahon.

Wilson's 1978 cross country team compiled an excellent record this year. They were led by experienced runners; the top three being junior John Zaring, and seniors Jim Richie and Jon Stout. John Zaring was chosen for the All Division I team. Other varsity performers were Joe Hawk, Todd Moyer, Bruce Fischer, Randy Wells, and Leo Adalbert.

In addition to these runners, underclassmen Gary Althouse and Mike Rudolph will join the Varsity ranks next year.

This years' team had a great season, finishing third out of eight schools by the end of the season.

Don't take it for GRANTed.

Memories: Three Puerto Ricans, German shepard, rumble between R. and Z., Galen Hall, puker, Kalihari bushman, Toga, Egg McMuffin, Wimpy Wampy Wompy, Pre-meet and Post-meet.

This was the first year for girls' cross country as a varsity sport. The season was very good. They finished third in the county, in league meets. Because the team only has one member to graduate, the rest of the members will continue next year. The team would like to thank Jim Sutton for all his help and encouragement throughout the successful season.

The six million dollar Margaret.

Memories: hitchhiking, Wolfman, Lori tripping, smiles from Boone, COUNTIES, "work that hill", stranded at State Hill, marbles, Leidi Baby.

The team had a fine year compiling a 20-9 record with the highlights being the second half championship win over Mifflin and the PIAA play-off game verses Reading at Hershey. We as a team have many memories, many being so called "inside jokes of which a few follow." "You are nothing", "Don't make me laugh", Pottsville PreGame, Soda, Yella, Voodoo Chile, Beak, Mr. Maternity, "If it makes you feel better, John", "Way to hit", My favorite locker room, "Illustrious".

Boy are these guys tough!

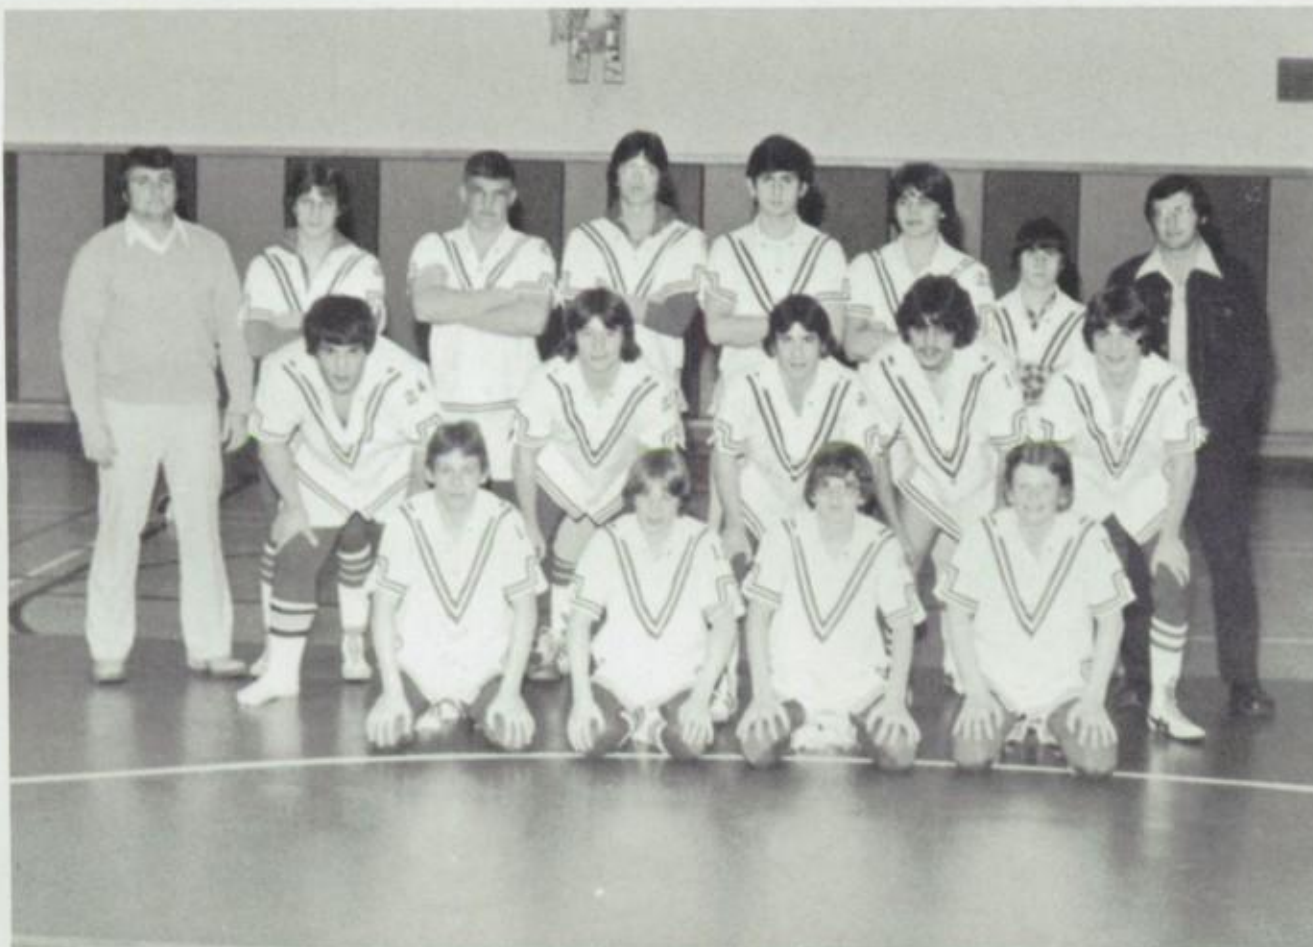

Wrestling makes our heads spin.

The masked marvel unveils.

The JV Grapplers started off on a bad note, losing to Manheim Twp., but won their next matches against Donegal, Boyertown, and Kutztown. After losing to Owen J. Roberts, they came back to Pottstown and won. They won against Hempfield, Schuylkill Valley, and Muhlenberg, before losing to Warwick. They beat Reading and Solanco, but lost their first league match to Mifflin. Losing only their second league match to Hamburg, they finished by beating Oley.

Please . . . the war is over.

This year's wrestling team had an outstanding year, finishing with 16 wins and only 3 losses. From the 1973-74 season to the 1976-77 season, the team had remained champions. Last year and this year they have won the title of co-champions.

There are nine seniors on the team, one junior, one sophomore, and one freshman. Of these members, Mike Rudolph, Mike Moyer, Dave Ritter, and Blair Weaver made the All-Star Team. They were also State Wrestling Tournament qualifiers.

This has been another terrific season, and we'd like to thank Mr. Moyer for all his help in his last year as coach.
